ADDENDUM #2

INVITATION FOR BID #12-76

ACCESS CONTROL & CCTV SYSTEMS – REPAIRS & INSTALLATIONS

THIS ADDENDUM IS TO: **Address the following Issue:**

Q1. We just reviewed your RFP for Security Maintenance Services and once again Telecommunications not Security is the DCAM qualification for bidding, is that accurate and if so can someone explain to us why that is? Considering the amount of bidders that you had on the last RFP it is probably in the city of Newton's best interest to expand the qualifications to Security for the DCAM qual so that you may actually have qualified bidders respond.

A1. The DCAM Categories for this bid will be shown as Telecommunications or Electronic Security Systems.

The bidders can be certified in either category.

All other terms and conditions of this bid remain unchanged.

PLEASE ENSURE THAT YOU ACKNOWLEDGE THIS ADDENDUM ON YOUR BID FORM.

Thank you.
